# BA (Hons) International Hospitality Management (BAIHM) (Top-up)

BAIHM degree is designed to give the student the management and operational skills needed to succeed in the hospitality industry of the 2020s and beyond. UoD has a track record of running successful hospitality management degrees, and the curriculum has been updated to be even more relevant to the industry today. More content has been included about business management, new technology, entrepreneurship, and sustainability, so the students will graduate as a modern, adaptable and creative thinker who is not afraid to challenge the status quo and lead on change.

In BAIHM, students will cover the full range of modern-day hospitality management and business management skills. They will learn to problem-solve and adapt to changing external environments, create innovative hospitality concepts and customer experiences while considering sustainability, and plan, manage and evaluate projects and also use digital technology throughout the course.
