

DIPLOMA OF LOGISTICS & SUPPLY CHAIN MANAGEMENT

(COURSE CODE: DLSM)

6 MONTHS
On-Campus Education
+
6 MONTHS
Industrial Attachment

The Diploma of Logistics and Supply Chain Management demonstrates a comprehensive understanding of the key concepts and practices in the field. The students are trained to manage transport and logistic operations including international logistics and distribution networks effectively. Additionally students will be demonstrated to develop strategies to optimize transport and logistics enterprise, enhance supply chain management, and implement human resource management practices within the context of the industry. Through this course, students will be able to gain the necessary knowledge and skills to excel in various roles within the logistics and supply chain field.

COURSE HIGHLIGHTS

EXPERT SHARINGS

The majority of our program's modules are led by industry veterans with decades of corporate experience. We also incorporate simulation games to provide students with hands-on experience in comprehending real-time logistics and supply chain processes.

VAST EXPERIENCE

Our Lecturers are dedicated and passionate with vast teaching experience. They have business and industry experience – so they bring real-world experience into the classroom.

MONTHLY INTAKE

Our Monthly intake allows the students to enroll as quickly as possible without waiting for a long time and gap in the progression.

HIGH EMPLOYMENT /PROGRESSION

92% of our graduates found a job or advanced their studies within six months after graduation.[^]

Modules

- Transport and Logistic Operations
- International Logistics and Distribution Management
- Strategies for Transport and Logistics Enterprises
- Supply Chain Management
- Human Resource Management
- Industrial Attachment*

*The Industrial Attachment is an integral module of the programme. However, suppose a student is unable to participate in the Industrial Attachment module due to circumstances beyond the control of the Student or the College, like non-approval of the Training Work Permit by the Ministry of Manpower or unable to secure an intern placement due to unavailability of vacancies, the Student will be required to complete a Research-Based Project with the submission of a report to be considered for graduation for the course. While AAC will make its best efforts to secure Industrial Attachment for the students, it does not guarantee that it will be able to secure one for every student.

Cert No.: EDU-2-2104
Validity: 15/08/2021 - 14/08/2025

Age Requirements

- Applicants must be of age 16 and above.

Class Schedule[^]
