

DIPLOMA OF RETAIL MANAGEMENT

(COURSE CODE: DRM)

6 MONTHS
On-Campus Education
+
6 MONTHS
Industrial Attachment

The Diploma of Retail Management course is to equip individuals with the skills and knowledge necessary to succeed in the dynamic and fast-paced world of retail. With a focus on practical skills and real-world experience, students will gain a deep understanding of retail best practices and the ability to apply them in a variety of settings. This course covers a range of essential topics, such as driving profits through strategic planning, managing change, handling difficult customers, integrated marketing, as well as managing inventory and stock. Upon completion of the Diploma of Retail Management, graduates will be well-equipped to pursue a range of retail management positions, from entry-level to senior roles, in various retail environments.

COURSE HIGHLIGHTS

INDUSTRIAL VISITS

Our program incorporates a unique learning approach with multiple field visits to various retail setups, aiming to enrich students' comprehension of the retail industry's business operations. These field visits offer exposure to modern retail systems, such as shelving arrangements and inventory management techniques, allowing students to immediately connect theoretical concepts with real-world applications.

VAST EXPERIENCE

Our Lecturers are dedicated and passionate with vast teaching experience. They have business and industry experience – so they bring real-world experience into the classroom.

MONTHLY INTAKE

Our Monthly intake allows the students to enroll as quickly as possible without waiting for a long time and gap in the progression.

HIGH EMPLOYMENT /PROGRESSION

92% of our graduates found a job or advanced their studies within six months after graduation.[^]

Modules

- Retail Strategy
- Managing Change
- Communication with Retail Customers
- Integrated Marketing in Retail Sector
- Stock Control and Visual Merchandising
- Industrial Attachment*

*The Industrial Attachment is an integral module of the programme. However, suppose a student is unable to participate in the Industrial Attachment module due to circumstances beyond the control of the Student or the College, like non-approval of the Training Work Permit by the Ministry of Manpower or unable to secure an intern placement due to unavailability of vacancies, the Student will be required to complete a Research-Based Project with the submission of a report to be considered for graduation for the course. While AAC will make its best efforts to secure Industrial Attachment for the students, it does not guarantee that it will be able to secure one for every student.

Cert No.: EDU-2-2104
Validity: 15/08/2021 - 14/08/2025

Age Requirements
